

# How to use the ICNZ Attendee App

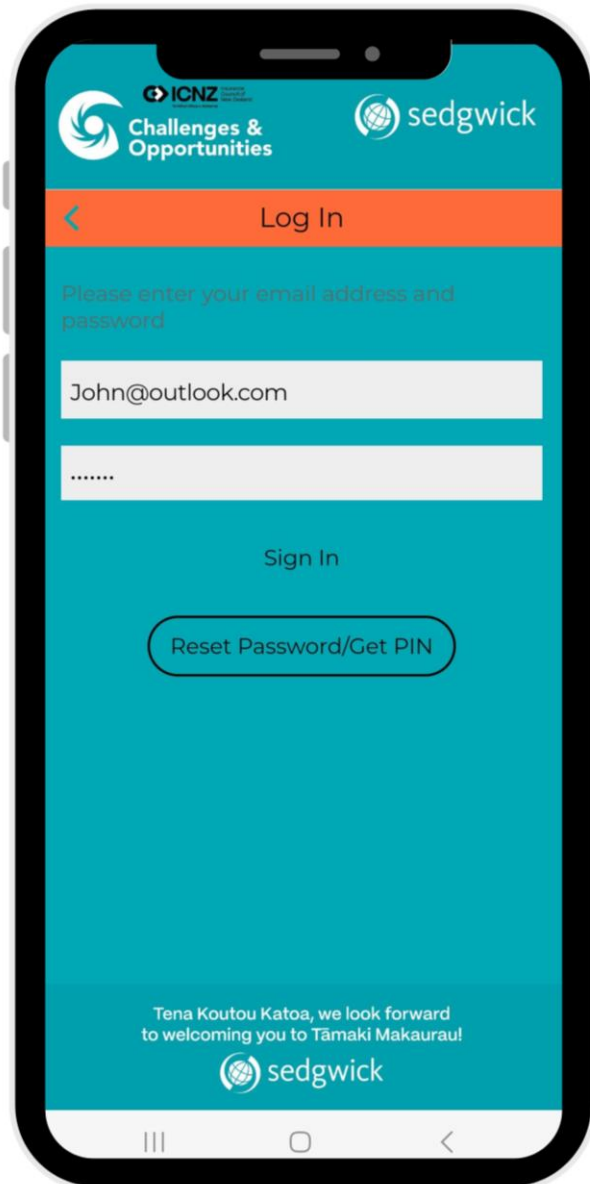

**Download the app to your smartphone from your dedicated app store by searching 'events air' or going to the ICNZ website and clicking on the link.**

Once downloaded, enter  
the app code: **icnz24**  
then hit submit

**Once at the home screen press the login button.**

**You will need to login using the email address and password you used to register, or alternatively you can use the app pin contained in the attendee app letter.**

# Key Features

1.

2.

3.

4.

## 1. Privacy settings & Meeting Hub

Message attendees and swap contact details on the meeting hub. Privacy settings lets you personalise your preferences and what details are available to other delegates, sponsors & exhibitors.

## 2. Speakers & Agenda

See the full programme in detail. Read about speakers and their presentations and any relevant documents that may come accompany it.

## 3. Event stream & Event notes

Share your photos, videos and comments on EventStream and see what others are posting as well. Take notes in sessions and export them to yourself for later.

## 4. Sponsors & Exhibitors

Explore all the information on all sponsors and exhibitors. Look at sponsor profiles and interact with the organisation's contact person.

**Challenges &  
Opportunities**

## Meeting Hub

To message attendees and swap contact details on the meeting hub please ensure that you connect with the person before doing so by tapping the green button on the top right-hand corner of individual's profile.

After doing this all messages and details shared will be easily found under the connections tab in the meeting hub.

# Live Q&A
